**EARLY ASSESSMENT OF POLL TAXES UNDER SEC. 4, CHAP. 60, GENERAL LAWS**

The first sheets of this Book are arranged for the assessment of poll taxes only. Under Sec. 4, Chap. 60, General Laws, the poll taxes may be listed on these sheets, assessed by vote of the assessors and a list of them, with a warrant for the collection thereof, committed to the collector as soon as possible. This may all be done before the writing of the property list, for which the remaining part of this Book is arranged.

If this method is not used the polls of property owners may be listed with the property as in former years.

## GENERAL LAWS, CHAPTER 59.

# ASSESSMENT OF LOCAL TAXES.

[EXTRACT.]

SECTION 43. The assessors shall make, on the books furnished under section forty-five, a list of the valuation and the assessment thereon, in the following manner: In separate columns the valuation of the stock in trade of each person, the number and value of his live stock and the valuation of machinery used in manufacture. In another column, marked "All other ratable estate", the aggregate valuation of all the other personal estate shall be entered. The total amount of the taxable personal property shall be shown, but without other detail or specification than is provided herein. Before the taxes are committed for collection they shall deposit the books, or an attested copy thereof, in their office or, if there is no office, with their chairman, for public inspection.

SECTION 44. The list shall exhibit the valuation and assessment of the polls and estates of the inhabitants assessed; and the valuation and assessment of the estates of non-resident owners, and shall contain the names of the non-resident owners of the property assessed, or such description of them as can be given, their places of abode, if known, the description of their estate, the true value of such estate, and the tax thereon.

SECTION 45. The commissioner shall provide each city and town, on or before April first annually, suitable books for the use of the assessors in the assessment of taxes, which shall contain blank columns, with uniform headings for a valuation list, and blank tables for aggregates, in the following form; provided, that in lieu of the valuation list provided for in this section and the preceding two sections, the assessors of any city may, with the assent of the commissioner, prepare a valuation list upon books furnished by the city and in such form as the commissioner shall approve, and that, for the separate listing of poll taxes under section four of chapter sixty, such portion of the books furnished by the commissioner as he shall determine may contain only the first three columns of said form.

**EXPLANATION OF TABLE OF AGGREGATES.**

The figures entered in this table are to be derived from those entered in the Valuation List. They should represent polls and property actually "assessed for a tax in money," and should include nothing which has been exempted from taxation.

The totals in Columns One, Two, Three, Six, Seven and Nine should each respectively be the sum of the figures above it in the same column.

In Column Three the number of persons assessed "On Property" (item g) should be the sum of the totals of Columns One (item c) and Two (item f).

In Column Eight the amount entered should be the sum of the totals in Columns Six and Seven.

In Column Nine (except for such slight variations as may be caused by fractions) the tax "On Personal Estate" will be the tax on the total of Column Six, the tax "On Real Estate" will be the tax on the total of Column Seven, and the tax "On Polls" will be the number in Column Four, multiplied by $5.00.
